HY-SR04

The diagram shows a vertical stack of four rectangular boxes on the left, labeled '5V', 'SQ2', 'IN2', and 'GND' from top to bottom. To the right of these is a vertical rectangular box labeled 'HY-SR04'. Four horizontal lines extend from the right side of the 'HY-SR04' box to the left, labeled '+5V', 'TRIG', 'ECHO', and 'GND' from top to bottom. Curved lines connect the '5V' box to the '+5V' line, the 'SQ2' box to the 'TRIG' line, the 'IN2' box to the 'ECHO' line, and the 'GND' box to the 'GND' line.
